Hello, Good morning  
Know you've been waiting for it  
'cause I seen you watching

Cause I've been leaning on the bar  
looking cleaner than the star

25 on the bank I be stunting on there ass  
and they mad cause the b-tch won't stop

[Diddy - Dirty Money- Chorus]

Got your boyfriend feeling like a groupie  
(you know, you know, we know, we on that)  
stuntin like you looking like a movie  
(you know, you know, we know, we on that)  
and everybody know who the truth be  
(you know, you know, we know, we on that)

(you know, you know, we know, we on that)

[T.I.]

Hello, good morning, how you doing with the movie

First, I tell her hi, then I give her one and let her fly  
never tell her lie the night you couldn't find a better guy

gangsta distinguished, cool as a penguin

You see TIP checking in a 5 star suite with some 5 star

in a fast car super bad broad back seat  
that's me, see I'm nothing nice, f-ck a couple nights  
see the moon say goodbye and the sun greeting us
