Six foot six stood on the ground, weighted 235 pounds

But I saw that giant of a man brought down to his knees
by love

He was the kind of man who'd gamble on love

Look you in the eye and never back up

But I saw him crying like a little whipped pup because
of love

Chorus:

Can't see it with your eyes, hold it in your hands

Like the wind it covers our land

Strong enough to rule the heart of any man, this thing
called love

It can lift you up, it can put you down

Take your world and turn it all around

Ever since time nothing's ever been found stronger
than love

Some men are like me; they worry and doubt

Trouble their minds day in and day out

Too busy with livin' to worry about a thing called love

But then I see a mother's tenderness

As she holds her young close to her breast

Then I say thank God this world was blessed with the
thing called love

Chorus
