From the start You've held a place in my heart

A place that no one else could fill

But sin kept Your spirit from working in me

I couldn't look at life honestly

Until the day my will gave away to the truth that I found
in you

I never knew just how good it could be

To stand in Your presence totally free

Now...

I'm forgiven

Now I have a reason for living

Jesus keeps giving and giving

Giving till my heart overflows

(Repeat)

Now I can see me as a person who's free

Even when I slip and fall

You are a God who forgives and forgets

Now I want to give you my all

Cause...

(Repeat Chorus)

I know this love You placed in my heart

Is a love that will never depart

Sin brought me here to the end of my rope

But now you've given me a brand new hope

I'm forgiven.
