"Praise The Lord"

When you're up against a struggle

That shatters all your dreams

And your hope's been cruelly crushed

By Satan's manifested scheme

And you feel the urge within you

To submit to earthly fears

Don't let the faith your standing in

Seem to disappear

CHORUS:

Praise the Lord

He can work through those who praise Him

Praise the Lord

For our God inhabits praise

Praise the Lord

For the chains that seem to bind you

Serve only to remind you

That they drop powerless behind you

When you praise Him

Now Satan is a liar

And he wants to make us think

That we are paupers

When he knows himself
We're children of the King
So lift up the mighty shield of faith
For the battle must be won
We know that Jesus Christ is risen
So the works already done

CHORUS
