I listen to the Trumpet of Jesus
While the world hears a different sound
I march to the drumbeat of God Almighty
While the others just wander around
I'm a member of the Holy Ghost traveling band
We're moving on up to a better land
I hear the voice of a Supernatural Singer
Like only those who know Him can
(Verse 1:)
One sweet sound makes
A whole world of difference
When the world seems indifferent to you
His Melody of love calls you to be great
When marking time was all you thought you could do
So if you've been playing all your days by ear
Never knowing what your song was to be
Then pull up a chair, let down your hair
And take a few lessons from me
(Chorus)
(Verse 2:)
A spiritual fanfare has a sound all it's own

At the birth of a lasting song
It's been two thousand years since Jesus was born
And still the celebration goes on
If you feel the need to get your life in tune
'Cause you're tired of the derdge every day
Then turn yourself around,
Put your feet on the ground
And just hear what I have to say
(Chorus)
