#### Verse 1:

It's like my parents weren't around...  
That's why I felt so lost and lonely till I finally found...  
Misfits crazy just like me....  
Party all night, live for the hype, were young celebrities.

#### Chorus:

This is the life, this is the life of the in crowd  
This is the life, Livin' the life of the in crowd  
This is the life, this is the life of the in crowd  
Hotties and parties and everyone watching me  
Can't let it get to me Livin' the life of the in crowd....

#### Verse 2:

My summers were always spent running away....  
Relieving myself from all the pressure of high society...  
Born into fame and Hollywood....  
Great connections with no directions were still  
misunderstood....

#### Chorus:

This is the life, this is the life of the in crowd  
This is the life, Livin' the life of the in crowd  
This is the life, this is the life of the in crowd  
Hotties and parties and everyone watching me  
Can't let it get to me Livin' the life of the in crowd....

#### Verse 3:

Don't they know we're screaming out for help...  
I really need to find myself before the walls come  
crashing around me...  
Need to find who I'm supposed to be...make it to the  
other side...  
Before I lose my sanity my sense of reason....

(Scream)

THIS IS THE LIFE

Chorus:(x2)

This is the life, this is the life of the in crowd  
This is the life, Livin' the life of the in crowd

This is the life, this is the life of the in crowd  
Hotties and parties and everyone watching me  
Can't let it get to me Livin' the life of the in crowd....
