When, we open up our eyes  
out on the horizon  
a different dream (2x)

our fathers were extreme  
the silvers and the green  
and you were there  
and I was there

like sails upon the seas  
like wind up in the trees  
can you believe (2x)

but when you close your eyes  
I am on your side  
can you believe (2x)

when I know you're near  
there's nothing I fear (2x)  
when I know you're near  
there's nothing I fear (2x)  
so believe in me  
I believe in you  
so believe in me  
I believe in you

See, the ocean in our eyes  
like we control the tides  
a different dream (2x)

come, move with me in time  
through rhythm and through rhyme  
a brand new truth (2x)

Fear, will light upon us now  
we made it through somehow  
can you believe (2x)

Now, we're flying through the trees  
'cause you are here with me  
can you believe (2x)

can you believe

when I know you're near  
there's nothing I fear (2x)  
when I know you're near  
there's nothing I fear (10x)

so believe in me  
I believe in you  
so believe in me  
I believe in you  
I believe  
I believe in you  
I believe in you  
so believe in me
