Hold on
Hold on
Hold on

Because you're on the edge to forget
It's not over

I've got a lot to say to you
Point the things out that keep our dreams come true
But you won't
You won't listen to me

My very thoughts are choking me
As I watch you deny and disagree
Let it go
There's no need to ignore this reality

Don't feel this vacuity
Don't speak of insecurity
You know you'll be ok

Sincerely, voluntarily
We are messengers of merry
Thoughts of pleasure
Hope and leisure

Hold on
Hold on

We've sang a lot of sympathy
But the claim we have is empathy
For the world
(For the world)
The world with whom you share your anxiety

Sincerely, voluntarily
We are messengers of merry
Thoughts of pleasure
Hope and leisure

We'll break the borders in your eyes

And stretch our goals to the endless
We'll raise the true assertion
It's not over

(instrumental bridge)

Sincerely, voluntarily
We are messengers of merry

...

Thoughts of pleasure
Hope and leisure

We'll break the borders in your eyes
And stretch our goals to the endless
We'll raise the true assertion
It's not over
