When will my eyes intertwine with the sky?  
When will our nightmares of darkness go by, will I feel  
it?  
And will I believe it?  
And what if I can't hold my eyes on the highway at  
night,  
trying to search for the brightness of light  
(Will I be there on my own)

Will I Be There,  
I Feel it  
Believe it  
In the darkest night  
I find the peace to search for a way out of nightmares  
So please  
Will I Be There?

Where is the answers to life that I seek?  
What if the world turns the strong to the weak, will I feel  
it?  
And will I believe it?  
And what if we join up and search for the answers  
unknown,  
rather than seek for solutions alone,  
Would you be there on your own?

Will I Be There,  
I Feel it  
Believe it  
In the darkest night  
I find the peace to search for a way out of nightmares  
So please  
Will I Be There?

So we'll be marching down the streets  
like soldiers with faith in our heartbeats  
we will recite, we will unite  
and we will raise our bodies anew and ready for life

Will I Be There,  
I Feel it

Believe it  
In the darkest night  
I find the peace to search for a way out of nightmares  
So please  
Will I Be There?
