you've just crossed a line, are you insane?

or are you blind? it's not a game

you don't know what to say

i hope you know it's not okay

by me

you left my life in such a mess

i'm not your wife we must address

these concepts of what's right and wrong

why can't he spend the night along-

side me

and i'm holding out on you

well, what'ya gonna do?

i have nothing more to say to you

can't you ignore what i want to do

it's not as though i like you less

it's not as though it's against

the law

i won't play slave to you no more

time you behave i'm not your whore

you're all the same you fool

and i just will not play with you

no more

and i'm holding out on you

well, what'ya gonna do?
