One's not enough  
I won't stop 'til I've given you up  
Here, right as I am, it's hard having fun  
It's much easier said than it's done

Hold me like before  
Hold me like you used to  
Control me like you used to

No  
You don't move me anymore  
And I'm glad that you don't  
'Cause I can't have you anymore

But I thought you should know  
You don't move me anymore  
And I'm glad that you don't  
'Cause I can't take it anymore

The room's still now when I'm lying  
'Cause the wet of the night has gone dry  
When they ask to behave I pay them no mind  
Now I doubt if I'd have been so kind

Hold me like before  
Hold me like you used to  
Control me like you used to

No  
You don't move me anymore  
And I'm glad that you don't  
'Cause I can't have you anymore

But I thought you should know  
You don't move me anymore  
And I'm glad that you don't  
'Cause I can't take it anymore

Hold me like before  
Hold me like you used to

Hold me like before  
Hold me like you used to

Hold me like before  
Hold me like you used to  
Control me like you used to

Hold me like you used to  
Hold me like you used to  
Control me like you used to

No  
You don't move me anymore  
And I'm glad that you don't  
Cause I can't have you anymore

But I thought you should know  
You don't move me anymore  
And I'm glad that you don't  
Cause I can't take it anymore

But I thought you should know...

If you please stop feeling, tranquilize  
I know the separation kills the soul  
But I won't stop falling like raindrops  
Because I like it when you lose control
