You let the sun go down on me

Not made in a second  
Not only meant for a day  
But the love that we shared  
You threw it away

So it doesn't matter  
What happens to me  
I'll never get better  
Nor set my heart free

You let the sun go down on me  
Whatever I try  
Now it's too late  
I see it was never meant to be  
No matter, I cry  
But it's too late

You let the sun go down on me  
Whatever I try  
Now it's too late  
I see it was never meant to be  
No matter, I cry  
But it's too late,  
Too late

Lovin' ain't easy  
But love is easy to lose  
Just one single step  
May get you out of the groove  
I thought we can make it  
But hope was in vain  
Not able to take it  
Lost in sorrow and pain

You let the sun go down on me  
Whatever I try  
Now it's too late  
I see it was never meant to be  
No matter, I cry

But it's too late

You let the sun go down  
You let the sun go down on me  
I see it was never meant to be  
No matter, I cry  
But it's too late,

Oh oh, na na na na,  
Oh oh, na na na na,  
Oh oh

You let the sun go down on me, mmm yeah  
You let the sun go down on me,  
You let the sun go, you let the, you let the sun go

You let the sun go down me  
Whatever I try  
Now it's too late  
I see it was never meant to be  
No matter, I cry  
But it's too late

You let the sun go down  
You let the sun go down on me  
I see it was never meant to be  
No matter, I cry  
But it's too late
