[DMX]

Ain't no sense whining about it now
I mean we knew what it was when we became apart of
it, feel me

[Monica]

Yeah

[DMX]

It's Like

[Monica]

There's something on your mind, I can see right
through you
I know your girl been treating you wrong
But she aint no good for you, why do u hold it inside
Boy you should let me know, I just want to make you
right
Be the one you could cry on

[DMX]

Baby, its like Baby, it's like I love my wife
We going through things and I aint going home tonight
You got time for a nigga or is he still with you
Wanna meet at the same spot or should I come get you
I'll be there in 10, be in the front
I been getting what I need so imma give you what you
want
One on one cuz you know how to talk to dog
You walk the dog and understand that New York is hard

[Monica]DMX)

You aint gotta go home tonight
You can stay right here with me
(I aint goin nowhere when you wake up I'm gonna be
right there)
Don't you worry bout a thing (I ain't worried about shit)
You're here with me
(Look It's like I love my wife
We going through things and I aint going home tonight
alright)

[Monica]

It's kinda strange when you call she is never home
Now your there all alone and you deserve so much
more

Baby, I can treat you better than she can
It doesn't make sense to keep on loving and keep on
trusting
When in return all you get is nothing

[DMX]

Damn, you got me fucked up and im feeling it more
Never had a mistress distressed before
Come on ma, like it aint that deep
Like there aint no love there like I don't hate that I gotta
creep
We go to sleep in each others arms
And I feel like this is where I belong
And if loving you is right then I aint wrong
This is the same ol' song, wife and fam
Gotta be a father and husband but I am still ya man
Baby

[Monica]DMX)

You aint gotta go home tonight
You can stay right here with me
(I aint goin nowhere when you wake up I'm gonna be
right there)
Don't you worry bout a thing (I ain't worried about shit)
You're here with me
(Look It's like I love my wife
We going through things and I aint going home tonight
alright)

[Monica]DMX)

This situation is getting critical (uh huh!)
I watch so many tears fall (uh huh!)
I know she not what you want
So why do u keep holding on
When im right here (What!)
All you need to do is call (What!)
Don't be afraid cuz she wont know it

[Monica]DMX)

You aint gotta go home tonight
You can stay right here with me
(I aint goin nowhere when you wake up I'm gonna be
right there)
Don't you worry bout a thing (I ain't worried about shit)
You're here with me
(Look It's like I love my wife

We going through things and I aint going home tonight
alright)
