"Goodbye Holly"

She came into my life
On the wings of a lavender eagle
When I saw her I said, "You're the seagull"
And she said, "You're right"

And now she's gone away
Yes, I know in my mind I'll remember
All the love any time I will send her
Till she's gone alight

Holly says to say goodbye to you
She'll remember [Incomprehensible] funny
(Goodbye, goodbye Holly)
Before her too
(Holly says to say goodbye, goodbye)

Holly says that I first say that
I first thought that she said goodbye
So, goodbye dear Holly, I'm truly sorry
You know no one could love you more than I

When Holly came around
All the strain I could see beside her
And her beauty was ever denied her
For beauty was she

She came upon my eyes
Like the sky in the middle of dawning
And she conquered the night with the morning
That we might all see

Holly says to say goodbye to you
She'll remember [Incomprehensible] funny
(Goodbye, goodbye Holly)
Before her too
(Holly says to say goodbye, goodbye)

Holly says that I first say that
I first thought that she said goodbye
So, goodbye dear Holly, I'm truly sorry
You know no one could love you more than I

Holly says to say goodbye to you
She'll remember [Incomprehensible] funny
(Goodbye, goodbye Holly)
Before her too
(Holly says to say goodbye, goodbye)

Holly says to say goodbye to you
She'll remember [Incomprehensible] funny
(Goodbye, goodbye Holly)
Before her too
(Holly says to say goodbye, goodbye)
