(verse)

Hold me up to the clouds
Hold me till my breath is gone.
I will never let you fall.

And though you tell me "Hold me tighter"
I will hold you till the day I'm breathless.
Take my breath away.

Its ok.

(Chorus)

Use me as you will,
My heart will always be with you.
Darling, wipe those tears away,
I will never turn away.

(verse)

Now's the time to say goodbye,
Wipe those tears out from your eyes.
As they mix up with the rain,
As the pulses beat throughout my veins.

I'll hold you up to the sky,
Darling please don't say goodbye.
Throw your arms around mine,
Let go only when I say goodbye.

Its ok.

(Chorus)

Use me as you will,
My heart will always be with you.
Darling, wipe those tears away,
I will never turn away.

Its ok...

Its ok...

Its ok.

Use me as you will,
My heart will always be with you.
Darling, wipe those tears away,
I will never turn away.

Use me as you will,
My heart will always be with you.
Darling, wipe those tears away,
I will never turn away.
