Goodbye to you, my trusted friend
We've known each other since we were nine or ten
Together we've climbed hills and trees
Learned of love and ABC's, skinned our hearts and
skinned our knees

Goodbye my friend, it's hard to die
When all the birds are singing in the sky
Now that spring is in the air
Pretty girls are everywhere, think of me and I'll be there

We had joy, we had fun
We had seasons in the sun
But the hills that we climbed
Were just seasons out of time

Goodbye Pappa, please pray for me
I was the black sheep of the family
You tried to teach me right from wrong
Too much wine and too much song, wonder how I got
along

Goodbye Pappa, it's hard to die
When all the birds are singing in the sky
Now that spring is in the air
Little children everywhere, when you see them I'll be
there

We had joy, we had fun
We had seasons in the sun
But the wine and the song
like the seasons have all gone

We had joy, we had fun
We had seasons in the sun
But the wine and the song
like the seasons have all gone

Goodbye Rochelle, my little one
You gave me love and helped me find the sun
And every time that I was down

You would always come around and get my feet back
on the ground

Goodbye Rochelle, it's hard to die
When all the birds are singing in the sky
Now that spring is in the air
With the flowers everywhere, I wish that we could both
be there

We had joy, we had fun
We had seasons in the sun
But the stars we could reach
were just starfish on a beach

We had joy, we had fun
We had seasons in the sun
But the stars we could reach
were just starfish on a beach

We had joy, we had fun
We had seasons in the sun
But the wine and the song
like the seasons have all gone

All our lives we had fun
We had seasons in the sun
But the hills that we climbed
Were just seasons out of time
