This will be, the last time
You break my heart

Verse 2

Ohh oh
Yeah this is, the end
Of us, we're so done
So I'll let you take your time
To say your goodbyes
Yeah say your goodbye, forever
And mean it to be true
Sometimes it can help me get over you

And for the first time
I'm doing fine (without you)
Yeah for the first time
I'm not going out of my mind (for you)

Chorus

This will be, the last time
That you break my heart
And watch me fall apart

Verse 2

And you got your things in your hands
And you turn to me
Try to tell me you're so sorry
But I don't wanna hear it
'Cause it'll just be all lies and your sh*t
I just want you to leave now
And when you walk out
I hope the door hits you
Let me tell you something
I loved you and I thought you loved me
But I won't, will not, miss you

And for the first time
I'm doing fine (without you)
Yeah, for the first time
I'm not calling you mine

Chorus

This will be, the last time
That you break my heart
And watch me fall apart
Yeah, this is the last time
That we say goodbye

Bridge

You thought that I was stupid
Didn't you?
Thought that I didn't know what you were doing
Oh ohh, didn't you?

Yeah this is, the end
Of us, we're so done
So I'll let you take your time
To say your goodbyes
And for the first time
I'm doing fine (without you)
Yeah for the first time
I'm not going out of my mind (for you)

This will be, the last time
That you break my heart
And watch me fall apart
Yeah, this is the last time
That we say goodbye
This will be, the last time
That you break my heart
And watch me fall apart
Yeah, this is the last time...
