What is a man?
And what does it mean?
Heaven and Earth, I have a choice
I know what I need
Well, I don't trust my eyes
'cause I see from inside
I'm gonna live and die by the Lord
I'm gonna give till I can't give no more
I'm gonna live and die by the Lord
There's so much more(There's so much more)
And all that there is(All that there is)
The best and the worst, I'll make a choice
What's better than this(better than this)
I know who I am
If you don't understand
I'm gonna live and die by the Lord
I'm gonna give till I can't give no more
I'm gonna live and die by the Lord
I'm gonna live and die by the Lord
The way He lived and died for me
I don't trust my eyes
'cause I see from inside
I'm gonna live and die by the Lord
I'm gonna give till I can't give no more
I'm gonna live and die by the Lord
I'm gonna live
You know I'm gonna live and die by the Lord
I'm gonna give till I can't give no more
I'm gonna live and die by the Lord
I'm gonna live, yeah
