Chorus x4

I wish I was little bit taller  
I wish I was a baller  
I wish I had a girl who looked good  
I would call her  
I wish I had a rabbit in a hat with a bat  
And a '64 Impala

I wish I was like six-foot-nine  
So I could get with Leoshi  
Cause she don't know me but she's really fine  
You know I see her all the time  
Everywhere I go, and even in my dreams  
I can scheme of ways to make her mine  
Cause I know she's living phat  
And her boyfriend's tall and he plays ball  
So how am I gonna compete with that  
Cause when it comes to playing basketball  
I'm always last to be picked and that's it or never  
picked at all  
So I just lean up on the wall or sit in the bleachers with  
girls  
Who came to watch their men ball  
Dag y'all! I never understood  
Why the jocks get all the fly girls and  
And me I get the hood rats  
I tell 'em scat, skittle, skibobble  
Got hit with a bottle, put up in the hospital  
I confess it's a shame when you're livin' in a city  
The size of a box and nobody knows your name

Chorus x4

Now something has gotta change  
Cause nobody knows my name  
Everything has stayed the same  
I keep doin' this  
Now some things have gotta change  
Cause nobody knows my name  
Everything is gonna change

Ooooooooooh!  
Now something is gonna change  
Cause nobody knows my name  
Everything's about to change  
Ooooooooooh!  
Now some things have gotta change  
Cause nobody knows my name

I wish....I wish...
