I can't sleep when I think about the times we're living in  
I can't sleep when I think about the future I was born  
into

Outsiders dressed up like Sunday morning  
With no Berlin wall, what the hell you gonna do?

It's a new year, I'm glad to be here  
It's a fresh spring, so let's sing  
In 2080 I'll surely be dead  
So don't look ahead, ever look ahead  
It's a new year, I'm glad to be here  
It's a fresh spring, so let's sing  
And the moon shines bright on the water tonight  
So we won't drown in the summer sound

If you find me, I'll be sitting by the water fountain  
Picket signs, letdowns, meltdown on Monday morning  
But it's all right, yeah, it's all right,  
Yeah, it's all right, yeah, it's all right  
It's all right  
'Cause in no time, they'll be gone, I guess I'll still be  
standing here

It's a new year, I'm glad to be here  
It's a fresh spring, so let's sing  
In 2080 I'll surely be dead  
So don't look ahead, ever look ahead  
It's a new year, I'm glad to be here  
It's a fresh spring, so let's sing  
And the moon shines bright on the water tonight  
So we won't drown in the summer sound

Yeah, yeah, we can all grab at the chance to be  
handsome farmers, yeah  
You can have twenty-one sons and be blood when they  
marry my daughters  
And the pain that we left at the station will stay in a jar  
behind us  
We can pickle the pain into blue ribbon winners at  
county contests

Yeah, yeah, we can all grab at the chance to be

handsome farmers, yeah  
You can have twenty-one sons and be blood when they  
marry my daughters  
And the pain that we left at the station will stay in a jar  
behind us  
We can pickle the pain into blue ribbon winners at  
county contests

It's a new year, I'm glad to be here  
It's a fresh spring, so let's sing  
In 2080 I'll surely be dead  
So don't look ahead, ever look ahead
