Now kid, I know I haven't been a perfect man  
And I've avoided doing things I know I can  
But if I've learned one thing the tattoo on my arm  
Will burn into my thumb it would be that

You must stick up for yourself, son  
Never mind what anybody else done  
Stick up for yourself, son  
Never mind what anybody else done

Old man Schmelling was a formidable foe  
But Ambling Alp was too, at least that's what I'm told  
But if you learn one thing, you've learned it well  
In June you must give Fascists hell, they'll run but they  
can't hide

You must stick up for yourself, son  
Never mind what anybody else done  
Stick up for yourself, son  
Never mind what anybody else done  
Stick up for yourself, son  
Never mind what anybody else done

And when those thunder clouds are crying  
In the skies, in the skies  
And when those fireflies keep shining  
In your eyes, in your eyes

Keep your mind for the time  
With your ass on the line  
Keep your feet, feet sliding  
To the side, to the side

Now the world can be an unfair place at times  
But your lows will have their complement of highs  
And if anyone should cheat you, take advantage of or  
beat you  
Raise your head and wear your wounds with pride

You must stick up for yourself, son  
Never mind what anybody else done  
Stick up for yourself, son

Never mind what anybody else done

Stick up for yourself, son

Never mind what anybody else done

Stick up for yourself, son

Never mind what anybody else done
