Faced with lies,
Don't you think that you just lie?
Caught inside,
Worlds made mostly of lies.

Make up your mind.
Because it's only love,
That's all,
Just faded lines.

Overwhelmed...
Overjoyed is the same.
Beneath the stillness,
The place where coldness
meets cold.

Make up your mind.
Because it's only love,
That's all,
Just faded lines.

Ohh... and what else...

Make up your mind.
Because it's only love,
That's all,
Just faded lines.

Yeah I was scared,
The seconds dripped past so slow.
But I just stood there,
and I thought you should know
