Under the weight of persuasion
When you changed your mind
I left the ground you just gave in
It was the only time

I felt awake, I was way out
Under the closing night
Just as the morning became us
And we were only sky

What changed?
What...
What changed?
What changed?
It's in my love
Ohhh...

In your dreams you've seen it all
Through a window so far off
I remember watching while your
Lightning blue eyes reflected sunrise
And through the dawn I'd seen it too
I caught a glimpse I thought was you
And I was overwhelmed
Lightning blue eyes against the daylight

I felt awake, I was way out
It was the only time
To do away with persuasion
Oh when you changed your mind

Cause in her dreams she's seen it all
Through a window so far off
I remember watching while her
Lightning blue eyes reflected sunrise
And through the dawn I'd seen it too
I caught a glimpse I thought was her
And I was overwhelmed
Lightning blue eyes against the daylight

Ahh Ahh, Ahh Ahh...

Ahh Ahh, Ahh Ahh...
Ahh Ahh, Ahh Ahh...
Ahh Ahh, Ahh Ahh...
Ohhhh...

In your dreams you've seen it all
Through a window so far off
I remember watching while your
Lightning blue eyes reflected sunrise
And through the dawn I'd seen it too
I caught a glimpse I thought was you
And I was overwhelmed
Lightning blue eyes against the daylight
