[Big Boi]

Pure Playaz, Pure Playaz

Slowly as Sir Lucious step up like a new dawg

A-Towns up deuces down is the new call

You could call 1-888-Cut-Some

I'm your kinky operator when you wanna beat some

Ain't no dial tone just smile so it's a pleasure to reach

To each his own I'm stone cold aquarian freak

Humanitarian barbarian when under the sheets

It's the playa from the point and ya girl from the B

[Beyoncé]

Are, you, infatuated with me, I could end, your  
curiosity

If you don't think I'm too prude, here's your chance to  
make your move

I sit and wait on your body, people say that

[Hook]

My, MY, style, style is crazy, I, I think, think, you like it  
baby

Do, you, want, to get messy, I, I, dare, dare you, you, to  
undress me

Baby let me know if you wanna roll with a, hip hop star

Bamboo's on, pants down low, I won't stop, stop

Baby let me know if you wanna ride with a, hip hop star

I'm a rock star

[Beyoncé]

Do, I, blow, you, away, do, I, stare, you, lay

You're, mine, would, you taste, my, love

If I, take the time, I have, none to waste with you

I guess, you can't say

[Hook]

[Beyoncé]

Undress me, undress me, come

Come make me, undress me

[Big Boi]

Take off that tank top and pull off them draws  
The girls all pause  
Got them drippin' down they sugar walls, aw naw!  
Get them to the nappy root, knockin' boots in stiletto  
Damn I keep it ghetto  
A cool type of fello' mellow, got the gold medal  
Never settle for less my rose pedal  
Tuui tuui tuui, spit game  
Benom to get up in 'em, let me peep pop that thing  
First check her brain to see if she  
sane, deranged, or strange or crazy as hell  
You never can tell these days  
Everybody got a little Rick James in they veins

[Sleepy Brown]

The way I feel ooh girl I know it's got to be  
Me all on you and damn girl you all over me

[Beyoncé]

Baby let me know if you wanna roll with a, hip hop star  
Bamboo's on, pants down low, I won't stop, stop  
Baby let me know if you wanna ride with a, hip hop star  
I'm a rock star
