Cyhi:

Yall know what it is  
straight from the A-town

Yeah okay

I am bullet bullet bullet bullet bullet bulletproof  
I done already did what they say I couldn't do  
Look at me, no look at you  
I'm one nigga that you shouldn't shoot  
Cause I've been runnin' with them killers  
since I was a little nigga  
with the gap and the crooked tooth  
he be steppin on me and I'm pullin too  
keep the pot smokin like I'm cookin soup  
got a bunch of villains that be playin on my phone  
always sayin nothing wrong like I wouldn't screw  
Oh well  
Change my number  
think ?? slangin lumber  
I get women by the season  
I think my last girl's name was Summer  
Oh my bad it was Autumn  
hit the cat and then I dot 'em  
Never call em  
If I fell like it's gonna ???  
all my enemies, I done fought em  
all them J's, I done bought em  
paid in full like them niggas who ran the slalom  
out in harlem  
cause I'm a hella of a flighter  
I think I deserve a column  
that's why I'm the headliner  
and you herbs are at the bottom  
I got these suckers scared  
got these pussies playin possum  
Its the first thing I said when I say 'em  
I heard you talking like you,

We all got guns my nigga, So ain't nobody,  
\*Bulletproof Sample\*  
And we got enough funds to make ??? my nigga  
So think about it,  
and be careful if you run up on my juicy catcher  
and say,  
cause it seem like everybody from the hood got  
summer

What's my name  
you can talk about me all you want  
that shit don't matter  
cause my self esteem is bulletproof  
my shit wont shatter  
Imma buy my way up to the top  
I don't need no ladder  
I already got these niggas pissed  
I dont need no flatter  
Fuck the chatter and the jabber  
make em shatter, watch em scatter  
Niggas mad that the Prince poppin come up out this  
matter  
kids just hoppin out of vans  
Boy I stay ???  
Shorty I'm always out of town  
and it ain't cause I like to travel  
Niggas talking bout the boots I'm wearing in the  
magazines

You could bathe in some bleach and you still wont be  
half as clean  
Bitch I'm slick as Vaseline  
Smokin gasoline  
In the red Chevelle  
and the seats is kappa green  
leaking Valvoline  
while i'm pushin too  
take the top off, I call that the mullet roof  
Rappers only mad cause they ain't as good as you  
So I keep a chrome Springfield, and it's wooden too  
Cause you know,

Yelawolf:

Somebody should have told me I was gonna be a  
mother fucking problem  
I never knew it would be this hard to get shit  
I didn't get the memo  
should have took my demo to Stephen Hawking  
cause I'm weird science  
appear to be violent  
tattoos like like bath hooks  
and the wolf- he's clearly defiant  
And appear I-ame(?)  
lovin on my pay fear on my tear I'm giant  
so my style got jacks, all the team start lookin like  
Coach I'm really trying  
Fuck you aint  
Throw another bed in the club  
go ahead and make it rain  
cause if i run up in the club  
with a bunch of thugs  
from the trailer park, we gonna make it drain  
funny how I just say that  
Hey, I must think I'm bulletproof  
Well if I'm what it means  
then see, you can put your money on my teflon cause I  
guess I do  
I'm just sayin I'm me  
but that's bad as you tryna sell CD's  
multiply that by originality  
and you might have to win another Lamborghini- Ewww  
My truck looking like daddy's Lambo  
Flip flop like pass the sandals  
covered in black tint, but you can see me like I had a  
candle  
you aint seen quick til you seen a wolf get  
BUCK-POINT-BULLET-SHOOT  
hey that's not a ???  
that's a 45 hollow tip, I'm bulletproof  
Shoot!
