(Verse - Yelawolf)

Meth lab in the back and the crack smoke pills through  
the streets like an early morning fog  
Momma's in the slaughter house with a hatchet helping  
daddy chop early morning hog  
I'm catching Zs like an early morning saw when I woke  
up to the racket yawn and pause  
What the fuck man I can never get sleep man, peeped  
out the window what's wrong with ya'll?  
Stood up in my Crimson Tide Alabama sweat pants and  
threw my pillow  
Looks like daddy caught the motherfucker that tried to  
sneak in and steal his elbows  
They don't know that old man don't hold hands or  
throw hands naw he's rough like a brilo  
Went to the Chevy and pulled out a machete and that  
gun is heavy and tall as the midget willow

(Hook - Yelawolf) X2

Think he's playin? You better listen what he's sayin  
punk  
Don't make me go pop the trunk... on you  
He got an old Mossberg in the mossy oak duffle bag  
layin in the back of the donk boy  
Don't make me go pop the trunk... on you

(Verse - Lil Cory)

Buddy better hold up, cuz he done road off wit pack of  
loud  
I be done showed off, when I showed up to his door  
fuckin breakin it down  
Ain't nothing gone stop us, bringing out the choppers  
bitch it'll leave you in the dirt  
In the back, of the Llac, next to the strap, is the pound  
of the fucking purp.  
Keep my money on my mind, that's why I'm staying on  
my grind.  
Fuck a hater, ain't a player in the game trying to watch  
me shine.  
Wake up early fresh Alabama fitted cap money always

on my mind.  
I'ma find ya got a GPS, like the Mayans, you be feelin  
like it's the end of times  
Pop tha trunk lemme knock his lights out, no Mossberg,  
jus a rifle an, a white owl  
Cuz it ain't just killers, here wit us, cuz everybody  
getting high now
