[Intro]

I usually don't do this, but f-ck it  
You know what?

[Verse 1]

You're like the hardest thing I've ever seen  
And I'm from the gutter so believe me  
I've seen some hard things  
You come from where the black flower grows  
I wanted to cut you down and take you home  
Call me axl rose  
I could see you in a 1976 camero  
Me and you, sippin' whisky getting drunker than jack  
sparrow  
It's black sabbath, how you get mellow  
Well put your feet on harley davidson pedals  
And rock and roll girl

[Hook]

Like a diamond cuts through a pearl  
This the hardest love song in the world (hardest love  
song, in the world)  
You could get it in with your girl  
Yeah, the hardest love song in the world (hardest love  
song, in the world)

[Verse 2]

You don't got to drive a fleetwood cadillac  
You just got to know some of words to fleetwood mac  
Horror movies turn you on, pull the sheets back  
F-ck it, I roleplay, do it to you in a jason mask  
You switch walkers like a switch blade  
You walk into the room and it's like these other bitches  
get hit with a  
Grenade  
With that said, let me pull them spandex pants off you  
with my teeth like  
Ozzy did a bat head  
I like rock and roll, let's go

[Hook]

[Verse 3]

You ain't concerned with new clothes or salaries  
You would rather run across the country like mickey  
and mallory  
Be the natural born killer that you are  
We'll hang out the window with a pistol and I drive the  
car  
We'll rob a dollar general for nothing but snack food  
Shooting anything that moves, dogs and cats too  
Re-enact the hardest movie scenes, bloody shirts and  
holy jeans  
We the hardest you and me, rock and roll baby

[Hook]

[Outro]

Click bang  
Click bang like magic  
Yeah, the hardest love song in the world
