Trunk Muzik  
Trunk Muzik

Straight from the back of the game I rock it  
Yelowolf's got that crack, boy  
In the woods with the SK I'm cockin'  
You don't want to play with that toy

Droppin' this heat like an asteroid  
Good in the south like past Detroit  
Pull up aside of a 1977  
Sittin' back and sippin' my cronic 7  
And I'm about to get down

Look at me changin' lanes  
Twin pipes lookin' like dragon's breath  
Chevrolet's throwin' flames  
Yes I know it's strange  
Hit you with a left, I pull the chains

Bitch, you too heavy to carry  
You don't wanna bury yourself  
Underneath that 808  
I'll drop it in your face like

DJs, I'll cruise it, I got that Trunk Muzik  
Everybody hop in the Cadillac  
And now I'm back with a bottle of Chevrolets  
With the bottom won't you open it when I'm down

If you cruisin', I got that Trunk Muzik  
Alabama's unanimous animal Yelowolf  
On the 808 come up, fade away  
Ain't no better way to get down

Told you I was coming  
Said I'd be here in 5  
And even though I brought you glasses  
You still can't believe your eyes

But if you don't believe it by now  
Fuck it, just lean to the side

Hold up, wait a minute, I don't really  
Wanna leave without a single solitary  
So when needed for I'll bring it to 'em

If you're sailin' catch my drift  
Lead me to the door, check my list  
Meet me at the floor, catch this fist  
Or meet me at the store catch this lick

Feel this house flip this brick  
Real skateboarders feel this grip  
Moving threw the alley way  
Look at the people tripping  
'Cause I'm only chopping like

DJs, I'll cruise it, I got that Trunk Muzik  
Everybody hop in the Cadillac  
And now I'm back with a bottle of Chevrolets  
With the bottom won't you open it when I'm down

If you cruisin', I got that Trunk Muzik  
Alabama's unanimous animal Yelawolf  
On the 808 come up, fade away  
Ain't no better way to get down

I have to be the hardest, I have diamond nuts  
I piss excellence Ricky Bobby lines 'em up  
Catfish Billy half pines 'em up  
Yellow wolf country fries 'em up

Pull 'em in duffle bag  
Then I roll up in a river then I hold up

Watch what the fuck you hold up  
Dynamite sticks will blow up  
Ghetto vision got this sold up  
Roll up, smoke up

Everybody wish'n they choose us  
But we don't give a fuck you know us  
I know you didn't see me coming  
But I'm coming anyway  
Bitch yellow wolf is style'n on

DJs, I'll cruise it, I got that Trunk Muzik  
Everybody hop in the Cadillac  
And now I'm back with a bottle of Chevrolets  
With the bottom won't you open it when I'm down

If you cruisin', I got that Trunk Muzik  
Alabama's unanimous animal Yelawolf

On the 808 come up, fade away  
Ain't no better way to get down

Alabama's unanimous animal Yelawolf  
On the 808 come up, fade away  
Ain't no better way to get down
