Come, Come Tennessee Me
Tennessee Me waiting here
I'm lonely tonight but feeling alright
Why don't you come over here?
Why don't you come over here?

Oh, Oh Tennessee Me
Tennessee Me see me loving you
See me by the fire side light
Come and see me through the night
Tennessee me through the night

If you chose the world to see
Just leave your heart in Tennessee

Plain, Plain Tennessee Me
Living just a mile away
I'm nothing special but I can hold you
If you want to, you can stay
Tennessee Me won't you stay?

Please, Please Tennessee Me
See me lookin' in your eyes
Tennessee Me wants to love
Wants to love you all my life
Let me love you all my life
