I dont know, I dont know
where I'll go or what I'll do
It makes no difference what I do with out you

Oh I love you, My darlin
but I'll try and let you leave
goodbye it's the last you'll hear of me

well I found a blue bird high on a mountain side
and the little bird would sing its little song
so I'll sigh, I'll cry, I'd even wanna die
for the one I love is gone

well I found a blue bird high on a mountain side
and the little bird would sing its little song
so I'll sigh, I'll cry, I'd even wanna die
for the one I love has gone
