Tell me why baby, why baby, why baby, why
you make me cry baby, cry baby, cry baby, cry
Lord I cant help but love you til the day that I die
so tell me why baby, why baby, why baby, why

Well I got a crow I wanna pick with you
Cause I lost time when the feathers flew
you're runnin wild kickin up your heals
leavin me at home with a hand full of bills

Lord I cant live without you, you know it's true
but there's no livin with you so what'll I do?
I'm going honky tonkin, get as loud as I can
maybe while I'm there I'm gonna find a new man

Tell me why baby, why baby, why baby, why
you make me cry baby, cry baby, cry baby, cry
Lord I cant help but love you til the day that I die
so tell me why baby, why baby, why baby, why

(Music Interlude)

Well I dont know But I've heard say
That Every little dog were gonna have his day
You better pay attention, dont you dare forget
cause I'm just a little biddy puppy yet

Well I caught you honky tonkin with my best friend
the thing to do was leave you but I shoulda left then
now i'm too old to leave you but I still get sore
when you come to feelin for the knob on the door

Tell me why baby, why baby, why baby, why
you make me cry baby, cry baby, cry baby, cry
Lord I cant help but love you til the day that I die
so tell me why baby, why baby, why baby, why

Tell me why baby, why baby, why baby, why
