Stanza 1:

My love will find a way
So you will stay
We can work these out all day

Its not over, Its not yet over
I'll hold you forever...

Refrain:

We'll take our time through this lifetime
I want you to know
I dont want to let you go...

Chorus:

Don't give up now
We can start all over
I'll hold you forever
Just hold on tight
So you'll feel alright
I'll be by your side all night...

Trials in life its hard to survive
But we still have to fight
