Dedicated To The One I Love  
The Mamas & The Papas

While I'm far away from you my baby  
I know it's hard for you my baby  
Because it's hard for me my baby  
And the darkest hour is just before dawn

Each night before you go to bed my baby  
Whisper a little prayer for me my baby  
And tell all the stars above  
This is dedicated to the one I love  
(love can never be exactly like we want it to be)

I could be satisfied knowing you love me  
(and there's one thing I want you to do  
especially for me)  
And it's something that everybody needs

While I'm far away from you my baby  
Whisper a little prayer for me my baby  
Because it's hard for me my baby  
And the darkest hour is just before dawn

If there's one thing I want you to do especially for me  
Then it's something that everybody needs
