The moon is a drop in a black hole
The sun is a hell of a light
But nobody's blue is brighter
Than the blue in my baby tonight
A man is a snake in the autumn
Maybe dew is making him wretch
Oh man was it dark in the jungle
His heart is an empty fretch
A man is a duck in the jungle
Who's lost in the big bamboo
Snake jumps out of the fire
And it's cryin' for baby-do
The moon is a drop in a black hole
The sun was a hell of a light
Oh man I'm gonna have my ice cold
Baby-do is out of sight
I'm in danger
In your jungle
I'm a stranger
Land of Mambo
Cause what you do
Must be voodoo
I'm in danger
Oh baby-do
The moon is a drop in a black hole
The sun is a hell of a light
And nobody's blue is brighter
Than the blue in my baby tonight
A man is a snake in the fire
His heart is an empty fritch
A man is afraid of the jungle
Baby-do is a hell of a witch
A man is a cock in the jungle
He's lost in the big bam boom
The snake jumps out of the fire
And it's cryin' for baby-do
The moon is a drop in the black hole
The sun is a hell of a light
A man who might have my ice cold
Baby-do is shakin' its might
I'm in danger

In your jungle
I'm a stranger
Land of Mambo
'Cause what you do
Must be voodoo
I'm in danger
Oh baby-do
