I know I never knew till now what love and life were all
about
I never could at any time forget the day that you were
mine
Another day, another night, Im lost again, blue
morning light
I never could at any time forget the day that you were
mine
I want the ocean
I want emotion
I want your eyes, and oh your lullabys
Hes out there [repeat]
Feel good [repeat - fade in and out 3x]
I want the ocean
I want emotion
I want your eyes, and oh your lullabys
I want the ocean
I want the ocean
