

Got awaaaaaaaaay
Got awaaaaaaaaay
Got awaaaaaaaaay (de-le-maaaaa)
(bal-du-ah)
Take me guys, keep up the beat
Bring the bell into the city heat
Got awaaaaaaaaay eko-ahll-ahhhhhhhhhhhh
Ring the bell, roll down the street
Tie me up into the city heat
Take me guys, keep up the beat
Bring the bell into the city heat
Take it up, beat on the beat
Shake it up, the Babaumba Beat
Keep your cool, keep cool your mind
Shift the beat, you're one of a kind
Kick the gong, beef up the beat
Back to hell into the city heat
Hit the bell, roll down the street
Tie me up to the Babaumba Beat
Take the beat, take the fight
Take me back into the ring tonight
It's the African Queen, we got the summer night grand
It's the African Queen, the hottest lady in town
It's the African Queen, who keeps me on my feet
It's the African Queen, the Babaumba Beat
Gulemo Dilemma
It's the African Queen, we got the summer night grand
It's the African Queen, the hottest lady in town
It's the African Queen, who keeps me on my feet
It's the African Queen, the Babaumba Beat
All you need is love
Take my heart and hold me tight forever, forever
