We've done the "porch swing love so long
I can't remember my name
Back and fourth, nice and slow till we get
real close and you still want to wait
I'm not sayin that it's
been a big waste of time
It's been great, been fun
But I'm about to go off like a loaded gun

All I want is a pumped up, jacked up
Screaming like a mustang
Kick me in my gut thing
Unleashed passion, finger nail scratchin
Goin right in to a lost of stuff I can't name
What I want is completely untamed

Now you don't have to second guess
this thing or try to figure it out
It doesn't matter how, or where, or when, or why
It's gonna happen by itself
How you ever gonna know
unless you give it a try
I dare you to just let it go
I bet ya turn into a wild animal

All I want is a pumped up, jacked up
Screaming like a mustang
Kick me in my gut thing
Unleashed passion, finger nail scratchin
Goin right in to a lost of stuff I can't name
What I want is completely untamed
