Cannot stick to one theme  
Cannot stick to one plan  
Cannot stick to one man.  
Always changing my mind  
Always searching to find  
Something I'll understand.  
Yeah, I'll travel the seas  
I'll get down on my knees  
I'll live passionately.  
I've the world in my hands  
Will I break, will I stand strong  
Am I gonna see what's out there for me.

I might be right  
I might be wrong  
But I have no regrets  
To lean upon.  
If the night is dark  
Then this is my sun  
This is my home  
This is where I belong.  
This is where I belong.

Well I'm trying to decide  
Should I run, should I hide  
Show them tricks and be tamed.  
Yeah, it's true that I've changed  
But I'm also the same  
I'm just playing a game.  
If you lay down beside me  
You'll feel that I'm cold  
And I'm empty, it's true.  
See the more I reveal  
The more lonely I feel  
What was one is now broken.  
Broken in two.

I might be right  
I might be wrong  
But I have no regrets  
To lean upon.

If the night is dark  
Then this is my sun  
This is my home  
This is where I belong.  
This is where I belong.  
This is where I belong.
