I long for a spark, for a light
A dawn for my long, sleepless nights
And you keep an eye on me tonight
And we'll be a light all of our lives.

Oh, won't you
Come, won't you
Light all my lights.
Oh, won't you
Come, won't you
Fight all my fights
Fight all my fights
So long
And we'll all be so strong.
We'll all be so strong.

Oh, in the dark we could hide
But we're human
We're human, so we fight.
And we can be higher than our hearts
And I'll be a fighter by your side.

Oh, won't you
Come, won't you
Light all my lights.
Oh, won't you
Come, won't you
Fight all my fights
Fight all my fights
So long
And we'll all be so strong.
We'll all be so strong.

Oh, won't you
Come, won't you
Light all my lights.
Oh, won't you
Come, won't you
Fight all my fights
Fight all my fights
Fight all my fights

Fight all my fights
So long
And we'll all be so strong.
We'll all be so strong.
We'll all be so strong.
We'll all be so strong.
