Hey man! What's up  
Tell me what's the scene  
Been pickin' up some kinda vibe  
If you know what I mean

Hearing funny stories  
From people in the know  
Got a thing or two to say 'bout you  
Will wouldn't you know

Been hangin' out a lot these days  
Word gets around  
It ain't the hangin' out so much  
As what's been goin' down

Hey man! What's up  
Are you stayin' in the game  
Are you gonna do what's  
Good for you  
All over again

Hey man! Don't quit  
You sure have changed a lot  
Talk to me honestly are you in a rut  
Hey man. don't die  
Give yourself a chance  
Keep it clean, what you ain't seen  
It make no sense

I'm strong enough to hold you  
I hope you understand  
Someone out there loves you  
Reach out aad take their hand

Hey man! You're right  
This life could suck you in  
Gonna' spit it out, gonna' shout it out  
All over again

I know you can be a better man  
Like me o I'm invincible

Gonna' carry on 'cause I am on  
You'll see o I'm invincible

Hey man! Your mind  
is full of cruy things  
Makes me wonder who you talk to  
in your dreams  
Anythin' is possible  
But face reality  
Sometimes you take it to extremes  
And that's what bothers me

Livin' on the edge of life  
Try to survive  
Ain't no one to turn to  
But the devil by your side

Hey! Be cool  
I'll take you when its time  
We made a deal, don't break the seal  
The devil is mine

I know you can be a better man  
Like me o I'm invincible  
Gonna' carry on 'cause I am the one  
You'll see o I'm invincible  
..invincible

livin' on the edge of life  
Tryin' to survive  
Ain't no one to turo to  
But the devii by your side

I'll take you in your sleep my friend  
But I ain't ready yet  
My angel's kinda busy  
Tryin' to mend a broken heart

Hey Man! What's up  
I'll help you make it through  
'Cause I m the only one  
You're gonna' have to answer to

I know you can be a better man  
Like me I'm Invincible  
Gonna carry on 'cause I am the one  
You'll see o I in invincible  
When the time is riyht  
Be it day or night  
Yeah! I'm invincible!  
..Invincible!

..Invincible!  
..Invincible!
