There was a swirling mass of water
That lived in a quiet pond
It asked permission from its master
To visit the lands beyond
And its master allowed it to fly
So the wind swept the whirlpool across the sky
Whirlpool
Whirlpool
There was a swirling mass of water
That lived in a quiet pond
It asked permission from its master
To visit the lands beyond
And its master allowed it to fly
So the wind swept the whirlpool across the sky
And it had the idea to fly
So the wind swept the whirlpool across the sky
Whirlpool
Whirlpool
Whirlpool
