Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it, do it, come on, come on
Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it

I'm walkin' downtown, no lookin' around
'Cause I'm a fool and a half, blessed and beaten by
love
I walk in the direction, but then I stop the action
'Cause when I try to do it, my heart is gone, I blew it

Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it, do it, come on, come on
Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it

I'm going on and on, just on and on
Just walkin', talkin', not a winner at all
I'm boozing, losing, getting out of control
She dances hip-hop, she's on the top
I'm still a fool and a half, blessed and beaten by love

Do it, do it, do it, do it
Do it, do it, come on, come on
Do it, do it

Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it, do it, do it
Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it, do it

I'm walkin' back home, keep lookin' around
Still a fool and a half, blessed and beaten by love
She walks in my direction, why don't she start the
action?
I got no guts to do it and then she's gone, I blew it

Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it, do it, come on
Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it, come on

Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it, do it, come on
Do it, do it, keep on, do it, do it
Do it, do it, keep on, do it, do it
