I didn't know reality  
I couldn't tell what  
I could see  
The speed of time  
Is shaking me  
Your eyes are framing  
All my mind  
I'm losing you

I didn't know reality  
I couldn't tell what  
I could see  
The speed of time  
Is shaking me  
Your eyes are framing  
All my mind  
I'm losing you

Don't you ever leave my mind

The streets are fading  
Come and go  
I'm running and I'm feeling low  
I'm walking like a living dead  
A burning heart just drives me mad  
Where are you

I didn't know reality  
I couldn't tell what  
I could see  
The speed of time  
Is shaking me  
Your eyes are framing  
All my mind  
I'm losing you

I didn't know reality  
I couldn't tell what  
I could see  
The speed of time  
Is shaking me

Your eyes are framing  
All my mind  
I'm losing you

I didn't know reality  
I couldn't tell what  
I could see  
The speed of time  
Is shaking me  
Your eyes are framing  
All my mind  
I'm losing you

I didn't know reality  
I couldn't tell what  
I could see  
The speed of time  
Is shaking me  
Your eyes are framing  
All my mind  
I'm losing you

I didn't know reality  
I couldn't tell what  
I could see  
The speed of time  
Is shaking me  
Your eyes are framing  
All my mind  
I'm losing you

I didn't know reality  
I couldn't tell what  
I could see  
The speed of time  
Is shaking me  
Your eyes are framing  
All my mind  
I'm losing you

Don't you ever leave my mind  
Don't you ever leave my mind  
Don't you ever leave my mind
