He's every single step a man around town  
Sure of himself to win the triple crown  
He has overrehearsed hi irresponsible smile  
This guy is a lie, he never knew why

Why why why he never knew why  
Why why why it's gotta be lies

He has overrehearsed hi irresponsible smile  
This guy is a lie, he never knew why

In his mind love is stress  
He believes more is less

Why why why he never knew why  
Why why why it's gotta be lies

Why why why he never knew why  
Why why why it's gotta be lies

He's every single step a man around town  
Sure of himself to win the triple crown  
In his mind love is stress  
He believes more is less

In his mind love is stress  
He believes more is less

Why why why he never knew why  
Why why why it's gotta be lies

Why why why he never knew why  
Why why why it's gotta be lies

In his mind love is stress  
He believes more is less  
In his mind love is stress  
He believes more is less

Why why why he never knew why  
Why why why it's gotta be lies

Why why why he never knew why
