Love, heaven, submission and more
Love, hell, in room 904
Tremendous pain

8, 6, 5, 4
8, 6, 5, 4
Tremendous pain
Tremendous pain

Love, submission and more
Love, hell, in room 904
Tremendous pain

8, 6, 5, 4
Oh baby, give me some more
Tremendous pain
Tremendous pain

Tremendous pain
Tremendous pain
Tremendous pain

Your words are my Bible
Your beat is divine
Please baby, let's change to Suite 909
Love, heaven, submission and more
