I love this girl  
With a like a  
As tender as dew  
She met me, a perfect stranger  
Lost like a poor king, pure as a dove  
Catherina Catherina  
Catherina Ho  
Catherina Catherina  
Catherina Ho  
Sometimes it's so hard to count  
As for her it doesn't matter  
I love this girl  
With a like a  
As tender as dew  
She met me, a perfect stranger  
Lost like a poor king, pure as a dove  
Catherina Catherina  
Catherina Ho  
Catherina Catherina  
Catherina Ho  
Catherina Catherina  
Catherina Ho  
Sometimes it's so hard to count  
As for her it doesn't matter  
Never tried to dominate her
