There is no reason
To go where I go
There is no reason
To stay where I stay
No no no
No no no
Life looks like
Life looks like
I can't.....
Get this guy on stage, will you?
He should show us what he's able to do
Get him on stage
Throw him on stage
I want to see him
I want to see him singing
Get him upstage
There there
Throw him
Throw him to me
Throw him up to me
He should show us what he's able to do
"Hi folks
I'm back again
Yeah, here I am
Back again"
They'll never get me
They'll always try
They'll never get me
That's all I can sing
Never ever get
Never ever get
Never never never
I am a singer
And I am a cook
Tried to get out of it
Look at me
Look
Look at me
Look look look
That was, what was his name?
Tiss.
Okay, Tiss, there you go

We thank you very very much for what you did tonight
It was a really great show
And we hope to have you back soon
All right?
Have you had enough?
All right?
Bye Tiss
