"To The Sea"

Away...

Away...

You may have many problems

But I was never one

All I ask is take me to the sea

You had to take me somewhere

I realize it now

Listen now just take me to the sea

Away from flickering nights and crowded streets

Away from blinding lights and shining needs

Away from person hiding, breathing hard

Away from always paying on your card

This will be my way out

And you will be my guide

Don't argue, take me to the sea

I'm only asking this once

Please take me for a ride

All I ask is take me to the sea

To the sea

To the sea

To the sea

To the sea

Then leave me with the seagulls

Smile your sweetest smile

I'll kiss you like the salty northern breeze

Drop silver on your forehead

And wave my last goodbye

All you do is take me to the sea

To the sea

To the sea

To the sea

To the sea . . .
