Oh baby, show me the way
To hell and heaven
Oh baby, how do you spell
Suite 907?

And I say, 8, 6, 5, 4"
Oh baby, I can't take it no more

Play your melody, your tune is divine
Play your song, your beat is mine
Tremendous pain

Love, heaven, submission and more
Love, hell, in room 904

Stormy weather, heavy rain
No moon in the city
Shining streets, Friday night
No mercy, no pity

I hide in my church, in Suite 909
Your word is my Bible, your beat is divine
Suite 909

Love, heaven, submission and more
Love, hell, in room 904
Tremendous pain

You bless me with an easy touch
Your fantasy, I need it so much
I hide in my church, I float on the Nile
Your word is my Bible, your beat is divine

8, 6, 5, 4
Oh baby, give me some more
Tremendous pain

Love, heaven, submission and more
Love, hell, in room 904
Tremendous pain, tremendous pain

8, 6, 5, 4

Oh baby, give me some more
