I never knew how much I loved you

I never knew how much I care
so I play

Vicious games
vicious games
with different names

different names

Vicious games
vicious games
with different names

different names.

I was afraid to go on with it
afraid to see

so I closed my eyes.
Vicious games
vicious games
with different names

different names.

I never knew how much I loved you
I never knew how much I care
I just play
Vicious games
vicious games
with different names

different names. . . .

Now that you're gone and you have left me

I had to learn
I had to learn how much it hurts
To play those vicious games.
Vicious games

vicious games
with different names

different names. . . .
Vicious games
vicious games
with different names

different names.
